APPLICATION INSTRUCTIONS

The following information will help you successfully complete the application process. All students planning to take credit classes at the College, full or part time, must complete the application. We recommend that you complete the process as early as possible to allow sufficient time for processing, placement testing, advising, and financial aid processing. If you have questions regarding the process, please visit the Admissions Office in room 3545 at the Marple Campus, call 610-359-5050, or e-mail admiss@dccc.edu.

Thank you!

APPLICATION INSTRUCTIONS

1. Please complete and return the application, along with the **non-refundable** \$25 application fee, to:

Delaware County Community College
Admissions Office
901 South Media Line Road
Media, PA 19063-1094

Make your check payable to "DCCC." Applications received without the academic major code, citizenship, high school or GED information (including date), and signature will be returned. This will delay the admissions and registration process. Application fees will not be refunded for lack of course availability or course cancellation, but will be honored for future terms of enrollment.

2. If you previously enrolled at Delaware County Community College and stopped attending for one year or longer, you must submit a readmit application. **Please use the regular application and check the box indicating you are applying for readmission. Returning students do not need to submit another application fee.**

TRANSCRIPTS

3. If you are a high school senior or graduated from high school within the past three years, you must submit an official transcript. Contact your high school guidance office for details. A final, official high school transcript must be sent upon graduation.
If you earned the GED, have an official GED transcript sent to the College. Contact the Department of Education in the state where you earned the equivalency diploma and request that an official transcript be sent to the Admissions Office.
4. If you are seeking transfer credit, you must have an official transcript sent from each college you attended. Contact your college Records or Registrar's Office and ask that your transcript be sent to our Admissions Office. You may be asked to submit your request in writing along with a transcript fee. Transcripts not received directly from a college must be received in a sealed college envelope.

To request an official evaluation of your transcript(s), contact the Assessment Center at 610-359-5322 and request a petition for transfer credit. Complete the petition and return it to the Assessment Center immediately. We recommend visiting students submit official transcripts and transfer their credits to make registering for classes, especially online, easier.

PLACEMENT TESTING AND ADVISING

5. Within two weeks after we receive your completed application, the Admissions Office will send you an acceptance letter with information about placement testing. The test takes 2 1/2 hours. If you are a returning student who previously took the placement test, you do not need to re-take it.
If you successfully completed college level math and English Composition, you can waive the placement test. We recommend you transfer the credit to Delaware County Community College to facilitate your registration.
6. At the placement test session, you should sign up for a college planning session to review your test scores with an advisor and register for classes. If you waived the placement test by returning the card included with the acceptance letter, you will receive a college planning date in the mail. The college planning can last 2 1/2 hours and students are advised in the order in which they arrive.

STUDENTS WITH DISABILITIES

7. Students with documented learning, physical, and/or psychological disabilities seeking reasonable accommodations for placement testing and/or the classroom should contact the Office of Disability Services at 610-359-5229 (v) or 610-359-5020 (TTY). This information will be kept in strict confidence and has no effect on your admission to the College.

FINANCIAL AID AND SCHOLARSHIPS

8. If you are seeking financial aid, please include your social security number on your Application for Admission so the College can match this to your Free Application for Federal Student Aid (FAFSA), available online at www.fafsa.ed.gov. For more information, contact the Financial Aid Office at 610-359-5330. The financial aid application process takes time, so please allow at least four weeks to complete.

Visit our web site at <http://www.dccc.edu> to apply for and to learn about scholarship opportunities. Upon reaching our site, click on **Current Students** or **Prospective Students** then **Financial Aid**. At this location you can view steps to the financial aid process, scholarships, and FAFSA information.

If you wish to obtain financial aid, you must submit an official, final high school or GED transcript.
